Dear Sir:

It is respectfully petitioned that the above-identified application be withdrawn from issue under 37 CFR 1.313 based on the discovery of new prior art references. The application will be abandoned to permit consideration of an information disclosure statement under 37 CFR § 1.114 in a Request for Continued Examination (RCE) to permit the USPTO to consider the new references as set forth in MPEP 609 subpart B(4). The Request for Continued Examination (RCE) is being filed concurrently with this petition. Additionally, the prior art references are provided in an Information Disclosure Statement filed with the RCE. Because this withdrawal from issue is not the fault of the USPTO, please debit Deposit Account No. 19-1970 as indicated on the Request for Continued Examination Transmittal in the amount of \$130.00 in connection with this Petition pursuant to Section 1.17(i).

Respectfully submitted,

SHERIDAN ROSS P.C.
